

Privacy Policy

Last updated: 24 Aug 2023

BomoApps ("us", "we", or "our") operates the WinLab: Test & Evaluate Skill mobile application (hereinafter referred to as the "App"). This page informs you of our policies regarding the collection, use, and disclosure of personal information we receive from users of the App.

By using the App, you agree to the collection and use of information in accordance with this policy.

Information Collection and Use

- **Account Creation:** To use certain features of the App, such as attending tests or creating tests, you will need to create an account. During the account creation process, we collect your email address, name, and password. Your email address is used as your login ID, and we will send information for email verification after you register your account.
- **Email Communication:** We will also use your email address to send you important notifications, such as password reset instructions or account-related updates. We will not use your email address for any other purposes, including sending advertisements, and we will not share it with any third parties.
- **Account Deletion:** If you choose to delete your account from the left side menu, your account details (email, name, etc.) will be permanently erased from our system. This action will also result in the deletion of any related data, including created tests and test results.
- **Uploaded Images:** When creating tests or adding questions, you have the option to upload images or photos as references for questions. These images are used solely for the purpose of enhancing the test-taking experience and will be deleted if you choose to delete your account. We do not use these images for any other purposes.

Admob Advertisements and In-App Purchases

- The App features advertisements provided by AdMob to support its maintenance and development. These advertisements may collect certain non-personal information for ad targeting purposes. You can review Google's privacy policy for AdMob [here](#).
- The App may offer in-app purchases for additional features or content. Payment information for in-app purchases is processed by the respective app store (e.g., Google Play Store) and is not collected or stored by us.

Security

We are committed to ensuring that your information is secure. We implement appropriate security measures to protect against unauthorized access or disclosure of your data.

Changes to this Privacy Policy

This Privacy Policy is effective as of the date stated above and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time. Your continued use of the App after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

Contact Us

If you have any questions about this Privacy Policy, please contact us at bomosisales@gmail.com.

By using the App, you agree to the terms of this Privacy Policy.
